WELCOME Y'ALL

(Hungover from Carolina), especially to those getting your 1<sup>st</sup> newsletter. You should expect one every other month around the 1<sup>st</sup> unless it's too hot like now or it might be too cold or might be just too nice. So basically you'll get the next one in Aug. sometime. If you change your address and don't tell me, then you won't get it at all. Contributions are always welcome. Your thoughts, announcements, stories and funny stuff you might see or overhear. You don't need to give your name, but I won't print nasty stuff about another member. Comments about ex-wives, husbands, boyfriends or girlfriends is however, good reading material. Send to me at 2884 Evergold Dr. Henderson, NV 89074 or E-mail to [ioobscibette@aol.com](mailto:ioobscibette@aol.com). If you have pictures or anything for the website, give to Hershel or E-mail to [obscib@netzero.com](mailto:obscib@netzero.com). You can also send or give them to me & I will forward to him.

Any errors in this or future newsletters are not my fault, but I'll find someone you can blame. Now let's see, how do I set this laser printer to 'stun'?

**EVENTS: Apr-19 HA Stripper Ride.** Big turnout from all the Clubs to ride to different T-bars. It was super riding weather but a black cloud was hanging over some of the OB's. First **Luke's** bike goes out with a flat tire, **Chopper** goes down (It's that sudden front brake thing again) & Pam is hauled off to ER with a bad ankle. Then **Sktzo's** bike is out with a broken throttle cable and a smart ass cop who asks him if he is one of those shithead bikers. (Did the Cop know something that the rest of us didn't?) **Taz** is home sick. **Slider** is home sick and **Jeff** is not feeling well. Anyway thanks to **Kain** (he's always there for a brother) and **Wrigley** for staying with us, **Jay** and **Joker** for making a special trip to try and help and to **Scout** for going way out of his way to get us home.

**May - 2&3 Yuma Prison Run.** **Luke, McBubba, Juice, Butch, Cap't Tom, Thrifty, Q-Ball, Red, Dan, Belinda, Sktzo & Myself** had a good ride down but the bar we usually stop for lunch in Quartzite was closed for the season, whatever that means. Partied hard on Fri. night at the motel and continuing on to "Ron's Place", a bar we like.

Off to **Algadones, Mex.** on Sat. afternoon for some shopping (mostly drugs) and to party at the Green Door which is

a combination T-bar & whore house. We were on the far side of being toasted when **McBubba's** wife Leann showed up to surprise him and I must tell you he was speechless. Always a special treat when your spouse finds you at a Mexican Titty-Bar. **Butch** had forgotten his helmet (there is a part of California we travel through) and of course was stopped by the poo lice. As always, he managed to talk his way out of the ticket. I just don't know how he does that all the time. The cop forgot to give him back his license, and **Butch** didn't realize it until our sorry asses were back at the motel. Poor old cop, he had to drive all the way to the motel to give it back. Once in awhile there is justice. Most of us continued to party, but sometime after turning in, a hit & run asshole ran into **McBubba's** bike & dragged it several feet.

There are only 10 times in history where the 'F' word has been acceptable to use:  
 "What the F--- was that?"  
 - Mayor of Hiroshima, 1945  
 "Where did all those F--- ing Indians come from?"  
 - Custer 1877  
 "Any F--- ing idiot could understand that."  
 - Einstein, 1938  
 "You want what on the F--- ing ceiling?"  
 - Michelangelo, 1566  
 "Where the F--- are we?"  
 - Amelia Earhart 1937  
 "Scattered F--- ing showers...my ass"  
 - Noah, 4314BC  
 "Aw c'mon, who the F--- is going to find out?"  
 - Bill Clinton 1999  
 "Geez, I didn't think they'd get this F--- ing mad."  
 - Osama Bin Laden, 2001  
 "Geez, I didn't think they'd get this F--- ing mad."  
 - Saddam Hussein 2003  
 "What the Fuck!!"  
 - McBubba Yuma 2003

**What's this???** Taz, locked out of his car!!! Quick, call a Locksmith!!

**May 10 General Meeting** - I was out sick so I'm relying on 2<sup>nd</sup> hand information. Mostly about the Pig Roast & prospect

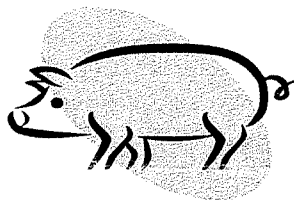

initiation rules & requirements. More Dues stuff. **Your 2<sup>nd</sup> quarter dues are due June 30<sup>th</sup>.** You owe \$30. every 3 months. **Pay Taz.** Do not let yourself get behind.

Recently patches were pulled from several members who thought it was OK for everyone else to pay but them. If you have a SERIOUS problem, talk to **Taz**; arrangements can be worked out and it will be confidential. Another reminder "loose lips sinking ships": All meetings & IOOB business stays within the membership. Be careful what info you share with prospects or hang arounds.

*From Sktzo*

*"Again, a patch was pulled from a member shooting off his mouth in what he thought was a private conversation. Remember, you never know who's listening. Also a reminder, we are a family, one piece patch club. If your interests are for something more, then go find it. Be respectful of other Clubs and other Patches.*

It was agreed that future prospects would be hang arounds until the Officers at a Board Meeting decided their next step. No specific time required, it is a person to person individual decision. Sponsors must keep their people informed of events & meetings & tell them to introduce themselves so all can get to know them. Do NOT give out the rideline number.

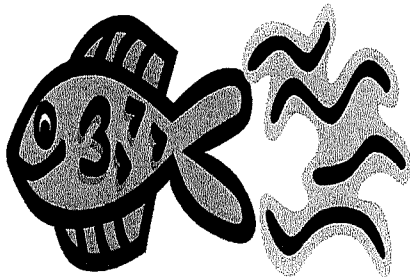

**PIGROAST-----May 16 & 17**  
 On the Thurs. prior, **Sktzo** and I hosted **Big Mike, Cricket, Dow & Ma** from North Carolina for the night. Actually they called at 4am, had driven all night to get here. **Rip & Paul** flew in much later. Love the Carolina bunch, they really know how to party. Even though he didn't think I could, I outlasted **Big Mike**. It's the Irish thing. We missed all the

rest who we had partied with on their turf, Especially missed **Marvin** who is doomed to have me in his face forever. **McBubba** got Bikes for **Big Mike, Cricket & Dow** and took them to the Pioneer Saloon, Nelson ghost town and around. **Ma** followed in the Van.

*Friday* – Got checked in after **Jeff** settled the crap with the reservations. Indian Springs Casino put out a nice free buffet that night. **Reno, Tucson, LA, Midway & Carolina** were all well represented. My wish would be that every member of every tribe could all get together for the party of all parties.

### On to Chewys Initiation Ceremony.

*“Fishies Fishies, from the store, if they get away you just get more.”* Barefoot on glass, boots filled with who knows what & the ultimate insult, homemade Jeremiah Weed. Another memorable Ceremony by **Chewy** and he wants to thank **Psyco Clown, Bam-Bam, Mack**, and of course **Chaos**. Also **Duke and Rocky** at the alter.

Our new Desert Tribe Brothers & Sisters are: **Black Dragon – Bags – Smokin – Big Horn – Czarina – Chopper – Shaman – Thrasher – Motown – Jumpstart – Sunshine – Red Dog – Big Guy**. A special welcome to our own **Wizard** who formalized his membership **From Carolina – Paul**. **From Tucson – Tiger**. **Reno** and I'm sorry not to have their names. If someone will E-mail them to me, I'll put them in next time. You are all now part

of a Family who isn't perfect but we always do our best to take care of one another. We hope you will be active members and remember that when you wear that patch you represent all of us. Be Proud but remember to respect other clubs patches.

*When you are sad....we'll get you drunk & plot revenge*  
*When you are blue, ... We'll try to dislodge whatever is choking you.*  
*When you smile,.. we'll know you finally got laid.*  
*When you are scared.. we'll rag you about it every chance we get.*  
*When you are worried ... we'll tell you horrible stories about how much worse it could be & to quit whining.*  
*When you are confused .. we will use little words to explain it to your dumb ass.*  
*When you are sick.. stay away until you're well, we don't want what you have.*  
*When you fall. we won't step on you but we will point & laugh at your clumsy ass.*  
*And last, A friend will help you move. A Brother will help you move a body.*

*Sat. and THE PIG* – I was told **Painless & Wizard** did the slaughtering of the 3 little Piggies. Most of the new members set up the new pig cooker. Mark with the long process of cooking them to perfection. **Machine Gun Bob** was a meat slicer. **Tracy** and helpers doing the hot job of serving. Also a thanks to our good friend **Tiny** who continues to show up and help.

*“Weather is here, wish you were beautiful*

Seriously, the weather was perfect, just enough overcast to keep the heat down. Record turnout. Ran out of pins (400). Out of 270 shirts, less than 25 were left. **Lil Dicks** were a hit & **Tucson's hats** did well. They set up shop next to us. (Hey **Marty**, will you give me or **Taz** a call). I want to thank **Bushman** who was our top salesman. He worked hard along with **Kristen, Corina and Jane**. Special thanks to **Painless** for the great design. I'm sure it had something to do with the great sales. **Tom, Deb, Brains, Charlie & Cindy** at the sign in table. **Duke** in charge of security & the money. The **Dunk Tank** with **Lil'Bit**, the dunkee did

well with a donation going to the Boys & Girls Club of Henderson. **Odie, Bear & Rocky** in charge. We had more Vendors this year and we understand they all did well & hope to return.

In the games **Pigman** won the **Slow Race**, **Jay** won the **Plank Race** and **Wendie** wins the **Wienie Bite with 3" & 3"**.

Hmmmm?

**Chewy** applauds the Prospects who for over a period of 6 weeks picked up door prizes from the following: SINISTER CYCLES/ FREAKIN NAILS/ SWIFT CONCRETE/ H AND E RENTALS/ SILVER STATE WIRE AND ROPE/ JAKES CRANE/ I WILL SEW 4 YOU/ NAVADA CONTRACTORS/ HANS SURPLUS/ FUNK HOUSE/ S AND C CLAIMS/ ARMSTRONG EMPORIUM/ YANKEE TRADERS/ AMERICAN CHIROPRACTIC/ BEN FISHER ADULT TOYS/ TEXACO EXPRESS/ AUTO SPA/ INSTANT REPLAY/ SCHOOPS HAMBURGERS/ CAPRIOTTIS SANDWICH/ LAS VEGAS GRAND PRIX/ JOES CRAB SHACK/ ACCURACY GUN STORE/ SCREWBALLS/ BLUE DIAMOND SALOON/ GEE BEES/ PIONEER SALOON/ BUFFALO WILD WINGS/ BLUE BERRY HILL/ DARRIN SNAP ON TOOLS/ & ELLIS ISLAND who said they would have rooms for IOOB s & friends for a discount rate of \$30. Also thanks to **Kimmi** for the toys. Whenever possible I would hope that we all would give our business to the above donors.

**Prospect Cowboy** got the DJ who donated his time. I guess he had so much fun he just kept on playing the tunes till long into the night. I don't have a card, just his name Ed. Maybe someone could let me know & I'll give him a plug next letter.

**Kevin** did a wonderful job of MC for the Wet T-shirt contest. Out of 5 entries **Lil'Bit** was the winner. In a very classy move she split her winnings with the 2<sup>nd</sup> place winner. A stranger paid \$70. to wet down the ladies. We will all miss **Kevin** when he moves back East to care for his Mother who is ill.

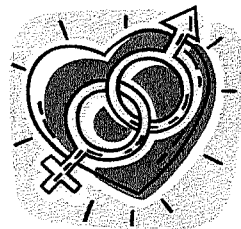

As usual, no Pig Roast would be complete without people falling in love, out of love, people in love getting pissed off, people not in love getting pissed off but you know what, in the end we're all

Brothers and Sisters we can't take life to seriously as it's not permanent.

A personal thanks from me and **Sktzo** to **Goatee** for helping me get into bed but I ended up on the floor anyway.

**THE BEST & MOST SUCCESSFUL PIGROAST EVER!!!!** All of you made it so.

**May-24 Tribe M/C run:** 20 of our bikes came to party & eat. Later to the far N.W. to Sporting Chance to the surprise of the OB regulars there. Back to the Sporting Chance for a luau on the 31st More fun, more beer, great free food plus free T-shirts & the IOOB's collecting the decorations.

**Rotten Rob** and Gail to Mt. Springs where **Rob** proposed by following Gail into the john when her pants were down. Hmmmm The had a premarital commitment ceremony (nothing legal yet) on the mountain. Check out the ring. Rubies for passion.

**HOW TO IMPRESS A WOMAN;**  
*Compliment her, respect her, honor her, cuddle her, kiss her, caress her, love her, tease her, comfort her, protect her, spend money on her, wine & dine her, listen to her stand by her, support her, go to the end of the Earth for her.*  
**HOW TO IMPRESS A MAN:** Show up naked, bring food.

**Another Baby Bastard** on the way, courtesy of **Cat & War**.  
*(Having Children is like having a bowling alley installed in your head)*

For **Prospect Kimmi**, these words from John Wayne "*Courage is being scared to death, but saddling up anyway*".

### No More Tony B's

Due to circumstances at Tony B's we are looking for another Fri night bar to hangout. We love Sporting Chance but it's a bit far for some Old Bastards to chance "Riding with Beer Breath" every Friday night. Any ideas out there? Required: Beer should be like \$2., Colors welcome, and a pool table. Food is good but not a must. Local women must have at least 3 teeth (each). Screwballs is a possibility and they love us. Back to the 4 Aces, maybe? Where, where to go.... The stress is overwhelming ... HELP

I am very sad. Odie has moved to Phoenix. He is very special and a great IOOD brother. I know very few people who are as dedicated to this club as he. We are truly his only family. I sincerely hope that he hooks up with the Tucson tribe & we get to see him now & then.

There are many roads left to travel

We are meant to travel them together

Our journeys are now intertwined.....Godspeed Odie  
We Luv you Man!
